1. Through the 'College Chalo Abhiyan' the work of implementation of the campaign is completed by visiting more & more teachers to schools to take admission in higher education before the pre-board examination in the schools of the city. All the important information related to talking admission in higher education should be given to the students by going to school so that maximum number of students can take admission in the college. at present the online admission is in process therefore. The entire process of admission should be told to the students of the school so that it can be easy for the students to choose the subject group while filling the online application for admission. At the time of entering the college, there is fear in the mind of the students. Therefore, they should be assured by the teachers of the college in which they can take higher education without fear.

Doubts and queries of the students should also be resolved. They should also be told about the healthy environment of the college so that the fear of their mind can be removed & stress can also be removed.

2. Boys and girls units of NSS are being conducted in the college. In the academic colanders of the Barkatullah University. NSS has to complete the task within the time limit. On would yoga day students should participate in yoga so that they remain healthy essay, speech and lecture should be organized on health topic.

Plantation should be done in the college campus & oath should be taken to protect the plants. College beach banks should be made so that students can go and collect seeds by growing then. And plant then in the forest or homes.

3. New admitted students should be welcomed by the volunteers of National Services Scheme by appeying tilaks & batches, by giving them toffees so that they can participate in their classes & activities without any hesitation in the college.
