II. New Initiatives to be undertaken.

- Renovation of the college and new construction proposed this year.

2. Overview

I. Vision, Mission, and Objectives of the college

Vision

- To establish caste and gender discrimination equality.
- To establish the prestige of the college to a higher standard level.
- To enrich the students to the global level with teaching and learning.
- ToceasethedeclineofmoralvaluesandforwardingstandardvaluesofourIndian Culture.

- To inculcate determination and responsibility toward institute and society.

Mission

- The college is committed to innovative teaching and higher quality of student's achievement in scientific and practical aspects.
- Enriching the knowledge of the students with the changing events happening at the global level.

Objectives

- To provide quality-based education to the students.
- To keep discipline among the students.
- To generate the feeling of self-confidence and self-esteem in the students.
- To impart moral values and ideals to the students to make them good citizens of our Nation.
- To use available resources at its maximum to fulfill the vision and mission of the institute.

II. Brief introduction of the college (including the status (Govt. / Lead/ Constituent/ Affiliated/ Private), Parent University, UGC recognition, CPE status, etc.), location & campus area.

The Government Arts & Commerce (Naveen) College, Bhopal is affiliated to Barkatullah University. The college was established on 3rd September 1987 as a Co-educational Institution. After running in different rented premises, the college shifted to Malviya Hostel premises in May 2005. This being a government building we have tried to develop on all fronts. Initially the present building was a hostel and when we shifted into it the building was in a bad shape and needed resources for renovation and new construction. If we discuss infrastructure, we have added to it the funds received from the Government, Collector Bhopal, Janbhagidari Committee of College and UGC. Presently we have eight big classrooms, 12 small classrooms, Principal's Chamber, Cabins for all teaching/non-teaching staff, Library with Reading room and E-library, a Computer Lab with latest versions, multi-Gym with 16 stations, Indoor games facility, Water coolers with purifiers/ROs, newly constructed auditorium, separate washrooms for girls and boys, Girls common room and all mandatory facilities. If we compare this to where we started, we have progressed infrastructure-wise.

III. History of the college with significant milestones.

College started with two Courses B. A and B.Com., with 52 students in 1987-88, now in the academic year 2023-24 college is running B.A., BCA, BBA, B. Com. (Plain, Tax, T&T and CA) and M.A. (English Literature) with 1857 students enrolled. The college has 53 Computers with internet facility, Wi-Fi facility in Library, E-library with Saul Software, Master Printer, Printers and Photo Copiers. Admission to first year of UG and PG courses is done on-line.
The college has a library with reading room facilities. Books are bought every year to cater to the needs of students belonging to various categories. With the introduction of smart classrooms in our institution the teaching learning process has been improved. The college has recruited guest

faculty for self-financing courses. This institution takes care of innovations and tries to introduce best practices.

IV. Faculties and major disciplines

Arts

UG: Hindi, Economics, History, Political Science and Sociology.
PG: English

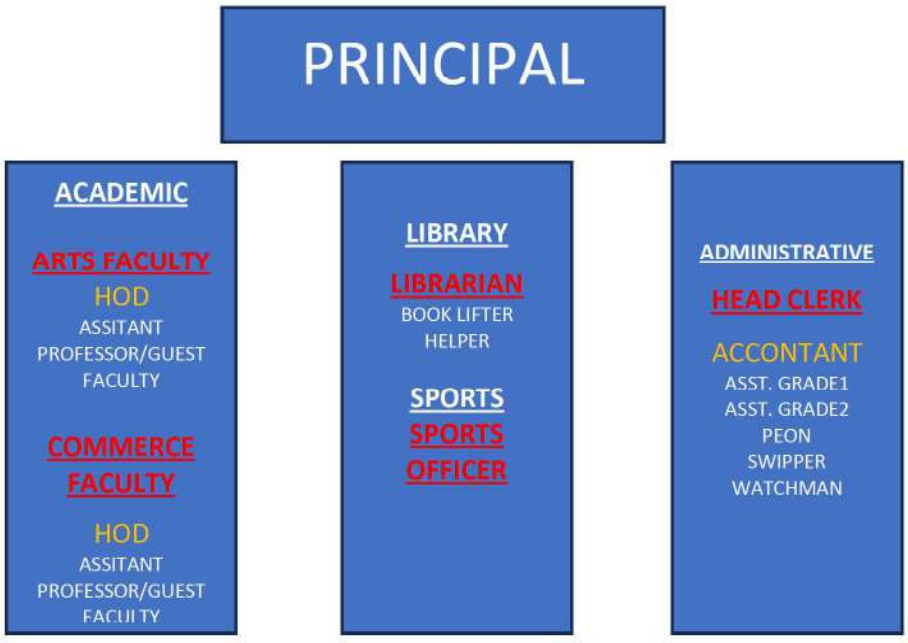

Commerce

UG: B. Com. (PLAIN, TAX, T&T and CA)

3. Senior Management Team and Board of Governors

Lists the members of the senior management team (Principal, Registrar, Deans etc.) and members of the Board of Governors including their designations and professional backgrounds.

Administrative Hierarchy
The principal is the chief authority of the organization and has all administrative powers to ensure proper management through various committees in the institution. An action plan is prepared for the year which has policies, goals, and feedback of the previous year, received from the beneficiaries. The principal holds meetings with committees to assess and ensure their functioning and proper implementation of schemes. Principal checks the working of the Institute and motivates the faculty members to promote quality circle; to take active participation in seminars, workshops, conferences; to keep quality in teaching, learning & evaluation and directs the non-teaching staff to execute their functions in a prescribed time.

15. SWOC Analysis (Strength, College Weaknesses, Opportunity and Challenges)

The Internal Quality Assurance Cell, of the college has invested a lot of time and effort to conduct a SWOC Analysis. As a first step in the analysis, key reports and other data about the college were found and reviewed. Such reports and data include feedback from students and other stakeholders, reports of the college etc. As a result of the review of these documents, the college's strengths,

weaknesses, opportunities, and challenges have come out. The analysis reveals the status of the college, while highlighting areas in which the college is strong as well as those that require further quality improvement.

I. Strengths:

- Location: Naveen college is a co-educational institution situated at the bank of lack with natural ambience. The college campus is situated at a prime location of the city, which is the center of the city connecting old and new Bhopal. Students have easy access to everything they need. Girls' students feel comfortable due to easy transportation and access.
- Governance: It is a government institution which is governed by the state government and an affiliating university. The recruitment is made through the MPPSC and higher education department. The student admission strictly follows the merit and reservation policy of the Government. The academic calendar of the higher education department is followed by the college.
- The Well-Qualified Faculties: There are well-qualified faculties as per UGC norms with NET, SET and Ph-D.
- Ragging/Sexual Harassment: The atmosphere of the college is appreciable in the aspects that since last five years no case of ragging or sexual harassment is reported in the college. To act against sexual harassment and ragging, committees are formed in the college every year.
- Smart Classrooms: There are three smart classrooms in the college, which provide quality education to students by helping them in better concept formation, concept elaboration, improvement in reading skills and academic achievement.
- Swami Vivekanand Career Guidance Cell: Swami Vivekanand Career Guidance Cell of the college is working under leadership of Mrs. Seema Rajput. Its activity has increased interest in students and more students are getting benefit through it.
- Transparency: The administration of the college is highly transparent and UG/PG admission invariably follows government rules, and every decision making is under the purview of Act.
- Inclusiveness and Diversity: Students and staff come from all communities and areas including those of different social, economic and cultural backgrounds. This helps the institution to find diverse ideas and opinions in the college.

II. Weaknesses:

- Inadequate Non-Teaching Staff- This college is dependent upon the policy of the Government. Its appointment is made through the Government. From last many years there is not any approval to fill the vacancy of Non-Teaching Staff. Compared to students, the number of Non-Teaching Staff is inadequate. This affects the smooth execution of academic activities. The college needs ministerial staff who would take the responsibility of clerical work for the smooth functioning of the teaching -learning and related administrative process.
- Lack of permanent staff: There are 21 teaching posts in which 15 are guest faculties.

- Teachers Training: Teachers Training program should be organized often to enhance the teaching skills of faculty, it should also include the training of Guest faculties as sixty percent of the teaching staff belongs to the Guest faculties.
- Lack of Research facility: As in the UG college there is focus on teaching-learning and thereby there is least opportunity for research.
- No Choice of Updating Curriculum: As an affiliated college, the college hasn't the choice to update the curriculum.
- Extension of Classrooms: More classrooms are needed to manage the timetable in a better way.
- Alumni Participation: The alumni participation is limited.

III. Opportunities:

- The college campus is situated at a prime location in the city, which is the center of the city connecting old and new Bhopal. Students have easy access to everything they need. Girls' students feel comfortable due to easy transportation and access.
- Career guidance to all students.
- Possibility of enhancing courses and seats.
- The college's vision and mission are extremely helpful for students in their holistic development, facilities viz; National Service Scheme and National Cadet Corps, groom student's personality and offer them opportunity to develop leadership traits.

IV. Challenges:

- Loss in academic sessions due to variety of reasons.
- Posting regular faculties against vacant posts.
- The full potential of Alumni is yet to be tapped.

16. Looking ahead Future Plans:

Lays out the college's priorities and goals over the coming year. Describes key initiatives planned, what each initiative is expected to achieve, and how it will contribute to the college's long-term development.

I. Key Initiatives Planned/ implemented

Future Plan 2024-25

- Construction of new buildings to meet out requirements
- More MOUs have to be signed with the government and non-government institutes for college students.
- In addition to the traditional courses, value added, and certificate courses have to be started.
- Seminars, workshops and special lectures would be arranged to enrich the knowledge of faculty and students.
- College intends to increase the equipment to enhance the facilities for disabled persons.

- To make the students able to keep pace with the changing times the number of smart classes has to be increased.
- Keeping in view the need for slow learners' remedial classes, extra classes have to be arranged. The institute will provide coaching for competitive exams on the college premises.
- Sufficient fund has to be allocated for library automation, e-books and e-journals.
- Various skill development programs have to be organized.
- There will be an extension to the drinking water facility on the college premises.
